

FAQ FOR PARENTS

WHAT TO EXPECT AT SUMMER CAMP

Your child can experience what could be one of the greatest weeks in their entire life. Away from the craziness and fullness of everyday life, campers are thrown into a realm of positive peer pressure encouraging them to pursue their relationship with God, build friendships, and stretch their comfort zone through daily activities. Camp is one of the best ways your child can be disciplined for a week by living 24/7 with others who love Jesus, influencing them towards a lifetime pursuit of Him.

So what does a week of camp look like? Can you say "Exciting", "Adventurous", "Engaging"? This is why camp is loved by many students. While at camp, they will play outside (some messy games), swim in the pool, and have special services and sessions encouraging them in their relationship with God.

ROOMING

- Bunk style rooms

- One adult leader per room (18+ age minimum)

These rules are given as guidelines for every student to follow. This code of conduct has been established for the protective benefit of each student. They must be observed at all times. Failure to comply with the camp rules can result in expulsion from camp with no refund.

CAMP DRESS CODE

Our dress code at camp is based on the biblical principles of modesty, neatness, and appropriateness/safety for activities. The following guidelines are for both students as well as Camp Staff. Please help us by setting an example for your campers and communicating these guidelines to them. If camp security deems an outfit inappropriate, they will ask the individual to promptly change into something better suited for camp.

1. No undergarments or midsections showing.
2. Shorts must be "Fingertip Length". This means that the hem of these articles of clothing must be the approximate length of the campers' fingertips when the hands are relaxed at their side.
3. No short skirts. In general, skirts are probably not the best attire for camp; pants and shorts are great for all camp activities.
4. No clothing with inappropriate symbols or messages on it (including alcohol, tobacco, or sexually suggestive language or images)
5. No halter tops, tube tops, bare midriff tops, or spaghetti strap tops.
6. Only modest swimsuits are permitted to be worn at camp. Campers could be asked to wear a dark color t-shirt if the suit is deemed inappropriate.
7. When walking back and forth from the pool, all swimmers must wear shoes/sandals and a cover up over their swimsuit.
8. Shirts must be worn at all times, unless swimming
9. Shoes or Flip-Flops must be worn at all times (except when swimming)
