

BGMC New Church Grant

Starting a new church is a journey of faith every step of the way. Once you are confident God has called you to plant a church, you must begin to discover how He will supply the resources you will need to start a new church.

Most importantly, you will need prayer partners and launch-team members. You will need strategic connections in the community. And, of course, you will need financial resources. That is where BGMC may be a blessing to you.

Pastors of approved Assembly of God church planting projects in this district may apply for a one-time BGMC Church Plant Grant.

Our district office has the option of providing a BGMC New Church Grant in one of two ways:

- We may award BGMC funds to be used for purchasing needed supplies.
- We may provide a BGMC grant that will enable you to purchase \$450 worth of My Healthy Church materials.

Qualifications for the BGMC New Church Grant:

The qualifications and availability of BGMC funds for new church plants is determined by each district.

The new church is encouraged to establish a Boys and Girls Missionary Challenge ministry. BGMC is the children's missions education and fund-raising program for the Assemblies of God. BGMC has two goals:

- To create a heart of compassion in the lives of children.
- To raise funds to help reach the children of the world.

BGMC funds are disbursed through the divisions of Assemblies of God US Missions and Assemblies of God World Missions. Contact My Healthy Church at 1-855-642-2011 to obtain Buddy Barrels (item 715-022) and a free BGMC Starter Kit (item 715-069).

How to Receive the Grant:

Send the following information to our district office—8405 Pulsar Place, Columbus OH, 43240; Attn: Ohio Kidmin—within the first two years of your church plant. You can fax the information to (614) 396-0701 or email us at okm@ohiomionistry.net.

If your church is approved to receive the BGMC New Church Grant, our office will contact you once the funds are available or placed into your GPH account. Either process may take 30 days or more. If funds are made available for your church to GPH, you may then order your resources by calling 1-855-642-2011. You will have one year to use these funds. Be sure to spend all \$450 at a given time and communicate with the customer service representative you are making purchases with this grant.

NOTE: The BGMC New Church Grant funds cannot be used to pay existing account balances. The resources purchased are given as a grant of assistance for as long as the church exists. In the event the church closes, any functional BGMC resources remaining should be turned over to your district.

Please be sure to thank BGMC for their generous investment into your ministry!
